Skipping is a fabulous sport that incorporates both freestyle (skills performed to music) and speed elements (timed events where the skipper’s steps are counted). It is one of the best forms of improving fitness with 10 minutes of non-stop skipping equated to a 20 minute jog as well as improves flexibility, balance, coordination and builds muscle strength.

The Skipz program provides qualified and experienced coaches who work with all Year and skill levels to provide a full cardio workout to their favourite music tracks with a variety of tricks and challenges that engages all ages and genders.

This programme is running at St Finbar’s on Wednesday and Thursday mornings from 8.00am.

Enrolments are now open. Please contact Isabelle on 0403 221 141 for further information.
